

MILITARY VEHICLE TECHNOLOGY FOUNDATION

ACCESS AND TOUR INFORMATION

For the General Public and Hobbyist Groups

- Tours are generally given on Saturdays at 10:00AM and 1:00PM. Tours may be scheduled at other times at the mutual convenience of the Military Vehicle Technology Foundation and the organizing party.
- Tours are generally given to groups of around 30 people. Smaller groups are combined with others to make a single tour group.
- This is an active, walking tour, spread over several buildings.
- Tours of the collection last approximately 2+ hours.
- All tours are arranged in advance by E-mail correspondence.
- Please advise us as to the ages of the people in your group so we can properly accommodate them.
- All groups will receive a confirmation e-mail approx. 1 week prior to the tour date. A reply with a solid number of tour members in your group will finalize your booking.
- A cell phone contact number for each group is needed in case communication is necessary on the day of your tour.

For Business and Industry:

- Team-building and general-interest tours are available by prior arrangement.
- Armed services and defense industry groups access to the collection for training on specific vehicles or systems is available. Please contact the MVTF to inquire about fees and scheduling visits.
- Researchers are encouraged to contact the foundation for special access to the collection.

THE MVTF IS SUPPORTED BY THE GENEROUS DONATIONS FROM VISITORS AND FRIENDS.
